BTG commitment to quality, health and safety

BTG Eclépens has successfully passed its quality management surveillance audit (ISO 9001) as well as its health and safety management renewal audit (OHSAS 18001).

These two certifications are confirming the dedication of BTG to constantly improve itself and to deliver high-quality products to our customers, while guaranteeing a safe and healthy environment to our employees.

BTG Eclépens is the first manufacturer of high-performance coating and creping blades, started in 1983 and serving customers all around the globe. It belongs to the BTG Group, a multinational provider of integrated, highly specialized process solutions for the global pulp and paper industry. BTG is committed to help its customers achieve significant, sustainable gains in business performance.
